2. "Whatâs the property address you want quoted?"
3. "Best email and mobile for quote updates?"
4. "When does your current policy renew?"
5. "Who is your current carrier, if you know it?"
6. "Any recent updates to the home we should consider (roof, systems, renovations)?"

Close:

"Perfect â thank you. Weâll review options and follow up with next steps shortly.

Would you prefer text or email for updates?"
