

Website Overhaul Master Plan (T&C + Branch + HOInsurance + FloridaAuto) v1

Goal

Create a coordinated multi-site growth system where each domain has a clear role, distinct messaging, and one shared conversion backend.

Site Role Map

- Tomlinson & Co: Core retail/local trust brand
- Branch Agency Solutions: MGA authority (flood + specialty)
- HOInsurance.com: Homeowners/flood acquisition funnel
- FloridaAuto.com: Auto-focused acquisition funnel

Operating Principle

Different front-end brands, one backend pipeline.

Shared Backend Standards

- Unified intake + tracking model
- Common lifecycle statuses
- Lead source/campaign attribution via UTM
- SLA-driven follow-up workflows

Rollout Order

- 1) BranchAgencySolutions.com (authority anchor)
- 2) HOInsurance.com (fast conversion win)
- 3) FloridaAuto.com (parallelized template reuse)
- 4) T&C site enhancements to align brand system

30-Day Outcome Targets

- +30% quote-start volume
- +20% form completion rate
- <15 min median speed-to-first-contact during business hours
- Improved lead quality scoring by source/domain
